Lapis Luna (Latin for “Stone and Moon”)

Wines’ stunning labels introduce the drinker to “the faceless hero,” a timeless story of struggle, aspiration, and redemption. The quest depicted on the bottles reflects the hero’s journey to reach their goal. This journey represents the story of the wine’s creation.

Established in 1999, every release has pushed conventional winemaking limits to produce exceptional wines from undiscovered California vineyards.

Lapis Luna’s motto: *Reach for the Moon*, imparts the quality of turning everyday moments into joyful gifts and creating objects of beauty that bear the mystery of life’s never-ending journey.
